| Link Visa | Students from the EU do not need to apply for a visa. Students from outside the EU will have to apply for a student visa. Please note that a tourist visa is not enough to stay in Spain for over three months. |
| Assicurazione | EU students Citizens of EU countries, Iceland, Norway and Switzerland, may be assisted by the social security service during their stay in Spain, being entitled to the same health care benefits as Spanish citizens. You must request the European Health Card in your country of origin, and submit the original document and a copy, together with the passport or ID to any social security centre in Spain. Non-EU students: Students arriving from countries outside the EU may only have medical assistance if there is a reciprocal agreement with Spain: Andorra (indefinite duration), Chile (2 years maximum), Brazil (1 year maximum), and Ecuador (1 year maximum). In their case, they must request the appropriate form demonstrating the right to medical assistance from the competent institution from their country of origin and submit the original and a copy to any social security centre. |
