

Erasmus- Mobility opportunity in Spain

Who we are?

Idee is a non-profit organization that gives support to technical colleges to everything related to Erasmus and mobility. This support includes language and culture training for the different destinations where they send students. We also help with the dissemination of their projects. We also send volunteers abroad and students willing to learn languages.

What do we need?

Student profile: We need a friendly, good communicative, responsible, well organized and serious student.

Languages: The student has to have a proficiency knowledge of Italian, we will value a good level of English and some knowledge of Spanish

Studies: Language studies

Others: it will be also interesting good knowledge of social networks and digital skills

Tasks to do:

The intern will have two main tasks, the main one will be to help Spanish Erasmus students to go to Italy or other places in Europe to do their compulsory internships helping them with the language and cultural training. Other part of the training will be in Marketing, helping with the promotion of Erasmus and mobility collaborating in the social networks and creating promotional material

When?

We will need you from March-April to the end of July. Teaching period only from March- April to June.

What do we offer?

Living: We live in a small cozy town

Travelling: It's very easy to move around to visit amazing sites like Barcelona, Tarragona, Zaragoza and natural sites like the Mediterranean coast or the Pyrenees

Price: It's cheap to live since you can walk around the town without paying public transport

Place of work: We are placed in a Technical College so it's a very good atmosphere. Our team is very young

Help: We will help finding you an accommodation in an affordable place and helping you to move around and doing things in your free time
